Cellular games

YOUR DREAMS- OUR SOLUTIONS

The next generation in the gambling world on the web!

Many players are interested tracking the bet they made on the Internet.

In addition, a lot of gamblers are interested in betting when they are not in front of a computer.

The idea behind the cellular gambling platform is to enable the player to bet anytime and anywhere by using a friendly and familiar interface.

The existent technologies today, allowing most cellular phones to have a direct Internet connection, using WAP technology, independent of the world communication suppliers in each country.

Today, the platform allows customers to place bets on the following games – Sports, Bingo, Lottery.

Mentor Gaming is working diligently on adding additional games to the cellular platform.
