Lottery on line
YOUR DREAMS- OUR SOLUTIONS

The familiar game is offered to the players in 2 platforms: computerized and mobile. This game is independent from the national lottery games as it operates exclusively on each web site. The LCO decides the game time, and advertises the details on the web site, so the players can register and play. The platform was developed in combination with WAP technology which allows the player to play, place and follow his bets by cellular phone.
